

7 Reasons to get Cyber Insurance

1

Mitigate Financial Loss from Cyber Incidents

Cyber insurance covers many of the expenses triggered by a breach: forensics, legal, notifications, etc.

2

Recover Quickly From A Cyber Incident

Cowbell provides you with cyber experts and services to help minimize disruption to your business.

3

Fulfill Your Contractual Obligations

Get coverage when you have time to evaluate what you need. Don't wait until you are under pressure to close a contract.

4

Get Coverages Aligned With Your Unique Needs

Cowbell uses technology to match your unique risk exposures to coverages.

5

100% Online Applications; Dedicated Limits. Get Coverage In Minutes!

Ask your agent for a quote, review coverages, and get protected in a few minutes. Cowbell only needs your organization and domain name.

6

Visualize And Monitor Your Risk Exposure

Login to Cowbell's platform, view your risk ratings and their evolution to avoid coverage gaps.

7

Is Your Business As Secure As Your Peers? Get Insights.

Compare your cyber risk profile to industry peers.
