

MORE THAN JUST AN INSURANCE POLICY

1) Risk Engineering Services

- Live sessions with cyber risk engineers throughout the policy lifecycle.
- Address subjectivities, and understand and mitigate risk exposures.

 riskengineering@cowbellcyber.ai

2) In-house Cyber Claims Experts

- Experts respond 24/7 to incidents and engage best-in-class response teams to immediately assist policyholders.
- Our speed and hands-on approach reduce claims severity and increased cyber resiliency post-claim.
