

More Than Just Insurance

Value-added services bundled with every policy

Every Cowbell policy delivers more than insurance. We provide bundled services that give businesses quiet confidence from day one, helping them stay resilient against cyber risks.

In-House Claims Expertise

A cyber incident can be one of the most stressful moments for any business. Our in-house claims team brings more than 50 years of combined experience and leads with empathy from the very first call.

Available 24/7, they provide human support that reduces severity, speeds recovery, and restores operations, giving policyholders true peace of mind when it matters most.
