

PRIME TECH PLUS

Product Overview

Technology E&O Excess Coverage

Prime Tech Plus is designed for technology businesses with up to \$1B in revenue that need an additional layer of Technology Errors & Omissions (E&O) and cyber protection. Written on AM Best A (Excellent) rated paper, Prime Tech Plus offers limits up to \$5M, providing consistency and reliability when building an excess program.

Seamless excess protection

Prime Tech Plus is a follow-form product that sits above a primary policy, providing an additional layer of coverage once underlying limits are exhausted. It is deliberately structured for clarity and consistency, making it easier to manage complex insurance programs.

Tailored for technology providers

Built specifically for companies delivering technology products and services, Prime Tech Plus is aligned to the risks that matter most to the sector. From SaaS providers to IT consultants, our appetite reflects the realities of today's technology-driven economy.

Risk Appetite:

- Hardware Resellers
- Healthcare Tech (PaaS)
- HR Software Platform
- IT Consultants
- Office Productivity Software
- Pre-packaged software
- Recruitment Software
- Reservation Software
- SaaS/App Service Provider
- Schedule Management Software
- Training Software
- Value Added Reseller
- Web Design

The Cowbell Advantage

We design coverage around what actually happens in a cyber event, explained in clear, simple terms that brokers can share with clients.

Every policy goes beyond insurance to deliver resilience that resonates: calm, effective protection that strengthens businesses before, during, and after an incident:

Cowbell Factors™: Easy-to-understand risk ratings that reveal vulnerabilities clearly.

Expert Claims Support: 24/7 in-house specialists who lead with empathy, guide recovery, and provide peace of mind when it matters most.

Cybersecurity Awareness Training: Complimentary, easy-to-administer training programs that empower employees to identify threats before they turn into a cyber event*.

**Cybersecurity awareness training offered through Wizer. Policyholders get unlimited seats at no additional cost for the first policy year. Email us at cybersecurity@cowbellcyber.ai to learn more.*

Cowbell Insights: Practical, actionable guidance to strengthen defenses.

Cowbell Resiliency Services (CRS): Practical tools and expert guidance to help businesses identify vulnerabilities, strengthen defenses, and recover faster.

Cowbell Connectors: Simple integrations with leading cloud and security providers that validate security practices—working like a constant quiet hum in the background, always active, always reinforcing protection.

Cowbell: The Sound Approach to Risk

Cowbell delivers insurance that cuts through complexity and adapts as risks evolve. With streamlined quoting, expert guidance, and protection designed for the realities of today's threats, we make coverage easier to understand and more reliable when it matters most. Behind it all is the Hum—our constant, quiet vigilance—building stronger businesses, trusted partnerships, and the quiet confidence to keep moving forward.
