

Incident Response Panel

Being the victim of a cyber incident is stressful and full of unknowns; unless you are a Cowbell policyholder.

A cyber incident is stressful, disruptive, and full of unknowns. With Cowbell, policyholders don't face it alone. Our in-house claims team and curated panel of best-in-class vendors provide immediate, coordinated support to minimize impact and accelerate recovery.

These services are designed to provide quiet confidence in the moments that matter most, giving businesses the clarity and steady guidance they need in a crisis.

Competitive Rates

We have negotiated preferred rates with best-in-class vendors so policyholders can access world-leading expertise without unexpected costs during a crisis.

Cowbell: The Sound Approach to Risk

Cowbell delivers insurance that cuts through complexity and adapts as risks evolve. With streamlined quoting, expert guidance, and protection designed for the realities of today's threats, we make coverage easier to understand and more reliable when it matters most. Behind it all is the Hum—our constant, quiet vigilance—building stronger businesses, trusted partnerships, and the quiet confidence to keep moving forward.

This document is for general informational purposes only and does not constitute an offer of insurance. The vendors listed are illustrative of third-party providers regularly engaged in Cowbell cyber incidents. Vendors are independent, and their services are subject to their own terms, conditions, and availability. Cowbell does not warrant or guarantee the services provided by any third-party vendor. Actual vendor engagement is determined on a case-by-case basis, at Cowbell's discretion, in accordance with the terms, conditions, limitations, and exclusions of the issued policy. Coverage and response services may vary by jurisdiction and are subject to underwriting approval. ©2025 Cowbell Cyber, Inc. All Rights Reserved.
