

Prime 250 Renewal Process

Cyber Insurance Simplified

1 Submit an Application

- We'll send the agency contact a blank application 120 days before renewal.
- Update insured's revenue and exposure and send it to your regional renewal contact.

2 Get a Quote

- Renewal quotes will be generated and emailed to the assigned agency contact. Typically this process starts 75 days before renewal. These quotes are subject to change.
- If you do not receive a renewal quote, your regional renewal contact will reach out for a completed application to manually underwrite the account.

3 Compete & Customize

- Confirm coverages, subjectivities, and premium with your regional renewal contact.

4 Bind Coverage

- Email your requests with a copy of the final quote to your regional renewal contact.

5 Issue Renewal Policy

- Signed application is required.
- Cowbell will work with you to gather all remaining subjectivities and issue the policy.
