Excess Cyber:

Excess policies respond after the underlying primary policy limits have been exhausted. Prime Plus offers non-admitted excess cyber liability insurance to provide a more robust level of financial protection for a policyholder's cyber liability needs.

Additionally, Prime Plus affords the same access to our risk engineering services as our primary policies. Learn more about the benefits of being a Cowbell policyholder [here!](#)

- Follow-form policy
- Broad appetite for primary cyber policies, subject to underwriting approvals
- Cowbell Factors™ used as the basis for risk assessment

The examples and descriptions provided above are for general, informational purposes only. Notably, these descriptions do not set forth all possible scenarios and/or situations applicable to the described events. Policyholders should be aware that each situation is unique and their experience may not resemble those set forth in the above examples and descriptions. Nor should policyholders in any way rely on the above examples or descriptions as any type of guarantee or indication of how their particular situation will ultimately be resolved. Policyholders should always refer to their own Policy for specific terms and definitions applicable to their Policy. ©2023 Cowbell Cyber, Inc. All Rights Reserved.
