

Leading Provider of Cyber Insurance for SMEs

Founded by insurance and cybersecurity veterans, we innovate with technology, data, and AI to keep SMEs (small and medium-sized enterprises) financially protected from cyber attacks.

Adaptive Cyber Insurance

Admitted, surplus, excess - we have a cyber insurance product for every SME.

30 Million Accounts in Risk Pool

We continuously assess 92% of the market. The largest risk pool for cyber!

All Claims Handled In-House

Our cyber claim experts bring 50 years of combined cyber claim experience.

<3% reported claims

which is significantly lower in frequency and severity than the industry average.

Risk Management Services

Bundled with every policy. Our cyber experts are available on-demand to help insureds better their risk profile.

Closed-loop Risk Management ASSESS. INSURE. IMPROVE. RESPOND.

We don't just pay for claims. We partner with insureds to keep them safe.

Backed by the Top Global Brands in Insurance
